

## The Kaleidoscope Block

- Background fabric – 2 squares, 2-5/8 x 2-5/8
  - Dark fabric – 4 triangles (from template provided below)
  - Medium fabric – 4 triangles (from template provided below)
1. Take the two background squares and cut each one in half diagonally **ONCE** to make the four corner triangles.
  2. Using the template provided below, cut four triangles from the dark fabric and four triangles from the medium fabric.
  3. Using a scant 1/4 inch seam, sew one corner background triangle to each dark template triangle and press toward the dark fabric (see picture below).
  4. Sew a medium template triangle to each unit created in step #3. Press toward the medium triangle.
  5. Sew the units created in step #4 together in pairs to make two block halves (see picture below). Press to medium triangles.
  6. Sew the block halves together and press.
  7. Block should measure 6-1/2 inches square.
